

## **Pastor's e-Note**

**Morristown United Methodist Church (5/31/2017)**

**Greetings on this blessed day. It is raining today, and the earth is receiving lots of liquid nutrition.**

**I want to personally invite you to come to the first Anniversary Celebration of our Nueva Esperanza Ministry this Sunday, June 4<sup>th</sup>, at 3:30 p.m. We will begin with a wonderful worship service. Our own Chancel Choir will give a special anthem. We will baptize, confirm youth and welcome new members. Our outstanding 15+ young soccer team will wear their brand new Nueva Esperanza MUMC soccer uniforms, and pastors will lay their hands on them and bless them. Rev. Hector Burgos, Director of Connectional Ministries of our GNJ Annual Conference, will preach an uplifting message. D.S. Steve Bechtold will share words of congrats and encouragement with us. After the service, we will have a delicious dinner and fellowship in Fellowship Hall.**

**During the service, we will celebrate the ordination of Rev. Charles Perez as a Provisional Elder of The UMC on that Sunday.**

**Now, if you can bring your favorite desserts to share, we'd love to create a dessert table as a gift from you and the MUMC family.**

**This Saturday morning, June 3<sup>rd</sup>, three of our church members will be graduating and installed as new Lay Servants at the GNJ Mission and Resource Center in Neptune, NJ. Charlie Buck, Sue Puma and Kevin Vance are our church's new Lay Servants. Praise God! They will join Jack Scharf and Kris Hansen for this vital ministry of the church. Thanks to Jack for leading this year's Lay Servants' Training for the Skylands District.**

**This Sunday is Pentecost Sunday, the birthday of the church universal. To celebrate this special Sunday, I invite you to wear something in red color, which symbolizes the presence of the Holy Spirit.**

**The wisdom for this week: "Believing in the best in others is a great way to live."**

**See you in church.**

**Rejoicing With You,
