

Hispanic
Heritage Month
September 15-October 15

Pastor's e-Note

Morristown United Methodist Church (10/12/2017)

Dear Church Family and Friends,

I greet you in the peace and joy of Christ. We are clearly in the middle of autumn season. There is a movement in my spirit that is inspiring me to go deeper with God in my daily prayer. I pause from my busy ministry to be more in tune with God.

We had a very fruitful and meaningful Church Conference last Wednesday evening, This year's Church Conference theme was "Membership to Discipleship: Growing Mature Disciples Who Make Disciples." Our District Superintendent, Rev. Dr. Steve Bechtold, presided over this annual meeting of our church. Once again, I want to thank all of our leaders, members, and church staff for your indefatigable and faithful service to the church this year. Thank you and God bless you all. If you'd like to receive a copy of the Church Conference booklet, please contact the church office.

September 15 – October 15 is the Hispanic Heritage Celebration Month. You are cordially invited to two special events this coming Sunday afternoon at our Nueva Esperanza Bilingual Ministry. A special bilingual worship will be held at 3:30 p.m. in the sanctuary. And after worship at around 5 p.m., we will have a community-wide Pan-Hispanic food festival and other celebrations in Fellowship Hall. It is going to be both fun and heartwarming. Hope several of you can stop by and enjoy it.

This coming Sunday, I will preach on "Found People Find People." Please come and join the celebration on Sunday.

My prayer for you today is that during this autumn season, you will come to experience God's grace even more deeply, intimately and powerfully. So be it, Lord.

See you in Church.

**Walking With You in Christ,
Pastor Brandon**
