

Pastor's e-Note

Morristown United Methodist Church (3/6/2018)

Greetings, my good friends near and far.

Last Saturday's "Rummage Sale" went well. Much thanks to our "Rummage King" Andrew Cattano for all of his hard work and outstanding leadership. And, to so many of you, who helped – from promoting, picking up the donated items, helping with set up and clean up, donating foods, and many more – thank you very much. I remain amazed at how quickly and efficiently things got done to clean up and set up in our sanctuary, Fellowship Hall, Wesley Room and kitchen in less than three hours! With our good team work, we have raised about \$8,500 from our Rummage Sale so far.

I am praying for all of you this week as we are anticipating yet another snowy day on Wednesday. Please keep yourself warm and safe.

This coming Sunday, I will preach on “Where Is God?” In your life and daily activities, where do you see God? In your faith journey, where do you see God working in and through you? And, how does God reveal Godself to us? Let’s reflect on these questions on Sunday as we journey through this season of Lent.

May the love and peace of Christ guide your hearts and minds as you follow him each day. Take care and see you in church.

Blessings,

Pastor Brandon
