**Morristown United Methodist Church  
(June 6, 2018)**

**Dear Morristown Church Family and Friends,**

**We are God's beloved community. Our mission is to become "God's beloved community, change lives and transform communities." I am grateful that we are working together to create a faith community based on God's love for everyone. As for me, that is what the Kingdom of God, which Jesus often talked about, looks like. We often recite the prayer, "Thy kingdom come, thy will be done on earth as it is in heaven," and this prayer will be realized through our collective and consistent effort to become God's beloved community.**

**One clear way to live out this mission is our mutual prayers for each other. I am grateful to all of you for your good wishes and prayers for my beloved mom in Honolulu. In the midst of walking through "the valley of the shadow" time in my family, we could feel your care, love and prayers along the way. Thank you!**

**In the same vein, I lift up the following loved ones of our church for your prayers:**

**Jean Doig – She is in the medical care unit of Bristol Glen after a fall in which her ankle was broken. If several of you can send her your "We Think Of You" care card, that will be wonderful. Her mailing address is: 200 Bristol Glen Drive, Apt. 101, Newton, NJ 07860.**

**Jann Quinn – She is recovering from her recent surgery. She is making a good progress and appreciate your prayers.**

**Hannah – She is the granddaughter of John and Judy Bellush. She weighs more than three pounds now, and that’s a terrific news. Please keep her in your prayers.**

**Les Sutton – He fell last week on the driveway of his home, but is okay. Please keep Les and Arden in your good thoughts and prayers.**

**For everyone I have missed – Let’s offer up our intercessory prayers for all of our loved ones who are in need of God’s comfort, strength, encouragement, healing and guidance.**

**This coming Saturday, from 9 a.m. to 2 p.m., we will have the ASP Car Wash. Our ASP Mission Team is working hard to raise funds, and let’s support them.**

**After the car wash, our church is hosting a “Community Conversation on Race” gathering in Fellowship Hall this Saturday from 3:30 p.m. to 5 p.m. I sent you a separate e-mail on this with more information. Please come if you can and join in a creative conversation on how to build bridges among all God’s people in our community.**

**This coming Sunday is Choir Festival Sunday. All of our choirs and bell ringers will share their music. This annual event is our way to celebrate and affirm our overall music ministry and each person engaged in our church’s music ministry. So, come and join us.**

**God is good all the time; and all the time, God is good! Have a blessed weekend and see you in Church.**

**In God’s Grace and Love,**

**Pastor Brandon**
