**Morristown United Methodist Church (9/13/2018)**

**Greetings, good friends in the Lord! We are getting a lot of rain this week. At times, I call the rain as "the Liquid Sunshine." I found the following scripture passage very meaningful:**

**"Shower, O heavens, from above,  
and let the skies rain down righteousness;  
let the earth open, that salvation may spring up,  
and let it cause righteousness to sprout up also;**

**I the Lord have created it."**

**(Isaiah 45:8)**

**Last Sunday, we dedicated and blessed our Sunday School teachers/leaders for children, youth and adults during worship. I am deeply grateful to each teacher and leader for his/her dedication and good work in nurturing faith among us. May God fill them with wisdom in the disciple-making ministry.**

**Last Sunday, we celebrated the beginning of pastoral internship for Hayoung Kang. Hayoung is a second year Master of Divinity student at Drew. She brings with her a lot of passion, creativity and love for people. I am grateful to her advisory/teaching team for their support and encouragement for her. Please keep her in your prayers.**

**This coming Saturday, September 15<sup>th</sup>, is the MEN'S BREAKFAST in Fellowship Hall. Breakfast is at 8 a.m., and Andrew Cattano will speak on "the Children on the Green" at 9 a.m. As many of you know, Andrew has been co-directing the Children on the Green for many years, and he has been a vital bridge builder between the COG and our church. Please come and join us.**

**The MORRISTOWN FALL FESTIVAL is set for Sunday, September 30<sup>th</sup>, from around noon till 5 p.m. Jack Scharf has volunteered to coordinate it. We will have our own church booth once again near our church. If you can volunteer for an hour or two, please let him know. This is a great opportunity for us to share with our community about our church and many vital ministries we are doing.**

**Starting this Sunday, I am going to start a new sermon series on "Miracles Everywhere." I am looking forward to sharing what God is doing in our lives, growing our faith and expanding our horizons. God is a god of all possibilities above and beyond what our naked eyes can see.**

**Have a blessed weekend and see you on Sunday.**
