

## **Pastor's e-Note**

**Morristown United Methodist Church (10/10/2018)**

**Dear Church Family,**

**Greetings. I hope this note finds you well.**

**Autumn is the season of maturation. We grow our faith as God's mature, gracious and generous disciples. We grow deeper, wider and higher in our Christian walk with God. In doing so, we become a lot more aware of God's abundant blessings in our lives.**

**Autumn is also the time for harvest. Bearing healthy fruit is a mark of a good disciple. So, the compelling question for us is this: What are we doing to bear good fruit for the Lord this year?**

**Our "Close the Gap" Campaign is going well. We have seen miracles happening in this effort. As I shared in my sermon last Sunday, with our prayers for our church and our full participation in it, we will end the year strong financially and spiritually. Thank you to those of you who have made your pledges to give an**

additional gift to the church this year. My wife and I have sent in our pledge alongside of you. We did it out of our deep love for our church and confidence in God's resourcefulness. The deadline to submit your pledge card is October 15<sup>th</sup>. Thank you, in advance, for your generous response and your help in making Miracles Everywhere a reality.

I am starting a new sermon series this Sunday. The theme will be on "Rich in the things that really matter." Our sense of being rich comes from not only our material things but from the things that last throughout our life time. This Sunday, I will talk about "Rich in the Scriptures." Come and hear God's wonderful message.

I encourage you to spend an extra time to look up...and enjoy what you see up in the trees and in the sky. God's light of love and hope is shining on you. See you on Sunday.

Peace and Grace,

Pastor Brandon
