

Giving to Morristown United Methodist Church

We are grateful for YOU and for your financial gifts that help us make, create and grow the Morristown United Methodist Church Story. Thank you for prayerfully discerning how you will support MUMC in 2023 with a sustained gift.

There are a number of ways you can make a financial contribution to MUMC.

- Cash and checks, either placed in the offering plate or mailed to the church office. If you use online "Bill Pay" through your bank, you can set a recurring payment that's mailed to us regularly.
- Credit or debit card payment through our secure payment portal on our website. These payments can also be made recurring for your convenience.
- Stock transfers can be arranged through the church office.

Once you've discerned how you will give to MUMC in 2023, please complete the Giving Intention below and return it to the church office. You can place it in the offering plate, mail it, or drop it off. On Sunday, December 11, the Third Sunday of Advent, we'll bless these Giving Intentions during worship.

One more thing - we always appreciate "unplanned donations" but we really appreciate receiving the completed Giving Intention forms because it will help us properly plan our ministries in 2023.

2023 Giving Intention

Name _____

I/We plan to give _____ Weekly Monthly Quarterly Annually (Circle One)
towards the mission and ministries of Morristown United Methodist Church in 2023.

I/We understand that this Intention can be revised at any time.
